Pearl Necklaces

A Pearl Necklace of her own is the universal dream of woman-kind—there is something in the pearl which is inseparably linked to the weaker sex.

We have just received three very beautiful Pearl Necklaces with exceptionally matched pearls and come, see them; perhaps you'll realize your dream. The prices are very moderate.

THRIFT — Surest Foundation of a Nation

"Thrift is the surest and the strongest foundation of a nation—so sure, so strong and so necessary that no great nation can long exist that disregard it."—Elihu Root.

With the United States at war, saving takes on a new significance. It becomes more than a matter of your personal progress. It becomes a civic duty.

Have you thought of the matter of saving in just this way before? Deposits in this bank earn for you 4% compounded interest every six months. One dollar opens an account and does not delay because it is only one dollar.

Mayor Mitchell Wins
Mayorality Nomination

New York, Sept. 20.—Mayor John Purroy Mitchell won the Republican mayorality nomination in yesterday's primaries by a plurality of 1,129 votes over William M. Bennett. With only two districts missing out of 2,060 Mayor Mitchell's vote was 35,646 and Bennett's 35,527.

Bed Bugs Keep Rooms
From Renting

Many desirable rooms don't rent for the simple reason that they are known to be infested with Bed Bugs. Spend 25 cents and clean your home, and your rooms will rent. Tell the public your house has been cleaned with Cyrus Presto Killer and the applicant for rooms will be satisfied. There is nothing better made, nothing so clean to use and nothing so harmless to human beings—it does not burn. Try a can 25 cents, it is worth money to you.

Hourless Won't Race
Against Old Rosebud
At Aqueduct Track

New York, Sept. 20.—Hourless and Omar Khayyam will not meet in a renewal of the Realization Stakes at Aqueduct, although in all probability they will come together again at Pimlico or some other track in Maryland.

Sam Hildreth, trainer of August Belmont's horses, refused to run Hourless at Aqueduct on the ground that the track is a bit deep and cuppy. This objection is rather surprising in view of the fast time hung up in a number of races at the present meeting.

The proposed special race on Saturday with Regret, Roamer and Old Rosebud to start also failed to materialize. Frank Weir, who trains the Applegate horses, is going West today to saddle Jack Harb, Jr. in the Breeders' Futurity on Saturday, and Peak, the regular stable jockey, will go with him to ride the colt.

He was unwilling to leave Old Rosebud for some other trainer to saddle and some other jockey to ride and so this attraction was killed. Stenteth the well-meant effort of Fred Rehberger and Walter Edward to provide what would have been a racing feast.

EDWARD C. BAILEY.

Funeral services for Edward C. Bailey were held this afternoon at 2:30 o'clock from the family residence, 474 Helen street. Rev. Gerald Beard of the Park street church, officiated. The pall bearers were members of the Grand Army Republic. Burial was in Mountain Grove cemetery.

DISTRICT BOARD
PASSES ON MANY
PARK CITY CASES

Delay in Filing Affidavits
Automatically Voids
Claims of Exemption.

The District Exemption board which has now got down to its stride is fast passing upon the host of claims which await attention of its members.

In a large list of findings made public today, Bridgeport's men are well represented, many of them having their claims absolutely denied, others granting a reprieve from actual service and a few being fully exempted.

DISTRICT-2
Among the list passed down today it will be found that the fire fighters of Bridgeport like the police their occupational claims of no avail.

Dependency claims today hold almost equal place with the many industrial pleadings. A number of men who held back their affidavits beyond the time specified by the government and themselves placed into service and will go to camp with the next contingent.

The board is in session today. Claims passed upon yesterday follow:

State Furnishes Quota
For Dental Reserve Corps

Hartford, Sept. 20.—The examination for the dental reserve corps of the army has been progressing the last two months, and Connecticut, it is believed, has furnished its quota, about sixty men passing the local examination. In this number are five or six Massachusetts dentists who were permitted to be examined in this state, instead of Boston, on account of their proximity to the Connecticut examiner.

Dr. Edward Eberle, of Hartford, Connecticut examiner, has been notified that the examinations have been temporarily suspended, as enough men have been secured to furnish the desired 1,000 men in an army of three million soldiers, 3,000 in all.

Each dental surgeon appointed to the dental reserve corps will be commissioned a first lieutenant. After a year's service, he may apply for another examination for the rank of major and if he passed and receives the higher commission, will then get a salary of \$4,000 a year.

Any drafted man, in the ranks, who is a dental surgeon, may apply, in camp, for examination and if he passes will be appointed a first lieutenant in the corps.

Drs. F. J. Ragan, James E. Taft, Joseph Kupperstein, Joseph A. Bray, Emerson J. Le Houllier and Abraham Goldberg of Hartford, and Dr. James F. Dobson of New Britain, have received notification of their appointment as first lieutenants.

Bridgeport-Danbury
Line Changes Hands

Danbury, Sept. 20.—A change in the ownership and management of the Danbury & Bethel Street Railway and the Bridgeport & Danbury Electric Railway was announced here yesterday. S. W. C. Jones of Greenwich, who held a controlling interest in the properties, and John Sanders of this city, president and general manager, retired. Stephen Cruise of New York, one of the new owners, succeeding Sanders as president, and George P. Kilnzing of Danbury, becoming secretary and treasurer in place of Jones.

The new owners in the city are between Danbury and Bethel and ten miles of track between Bridgeport and Long Hill.

U. S. STEEL INCREASES
WAGES TO EMPLOYEES

New York, Sept. 20.—The United States Steel corporation today announced a 10 per cent. advance in the wage of its workers to take effect Oct. 1.

Gets 25 Years For
Shooting Girl

Hartford, Sept. 20.—James French, of Plainville, pleaded guilty in criminal court today to shooting Margaret Farrar in Farmington, June 28, and was sentenced to state prison for 25 years. The girl, although hit in three places by bullets, made a remarkable recovery, and was in court today.

Another fine example of conservation of resources is found in the alien draft act, which proposes to conserve and utilize the surplus fighting spirit that lands some of them in police court with heads bound up in adhesive plaster.
